Follow up activities and information

Ministry of Health

- The constraints: the logistic management is still weak. It needs a skilled person to manage the logistic in the warehouse
- The other problem is the lack of information of accessible area in terms of security issues for civilians to continue the humanitarian effort, and there are a lot of local volunteers came to Banda Aceh but not registered yet

WHO Indonesia

- Emergency Team leader will depart to Banda Aceh to coordinate the field team and define the Term of Reference of each team member, also to set the staffing issues
- Reproductive Health in cooperation with Ministry of Health is setting the work plan and the target time.

International response

- Korean medical team consist of 12 members (2 doctors, 5 sanitarians, 3 nurses, 1 nutrition, 1 team leader) arrived in Medan by 13 January 2005
