### **Date of emergency incidence**

26 December 2004 (Sunday), 07:58 hrs and 08:48 hrs local time. (Indonesia, Western Zone: + 7 GMT),  
00:58:50 Coordinated Universal Time (UTC)

### **Follow up activities**

#### **Government**

- Government of Indonesia will host an international tsunami summit on Jan. 6, aimed at garnering more emergency support for the disaster and discuss future reconstruction needs.
- Representatives from the 10-member Association of South East Asian Nations, as well as China, Japan, South Korea, India, Sri Lanka, Australia, New Zealand and the United States, would be invited. Representatives from multilateral organizations such as the United Nations, the World Bank, the World Health Organization, Asian Development Bank and European Union will also be participating. The IMF and other multilateral and bilateral donors are discussing debt restructuring and/or relief to help the affected nations .
- For greater efficiency, Governor Rizal Nurdin has created 15 separate task forces at the GOI Command Post in Medan. Among the areas covered will be communications, news, burials, administration, social welfare, and water.
- TNI was also concerned on the delivery of relief items since there were sightings of GAM (Free Aceh Movement) members while passing the area to drop the supplies.
- Ministry of Industry will be providing 600 tents for IDPs.

#### **MOH information**

- Siti Fakinah hospital needs nebulizers, suction machines, and minor surgery sets
- Zainul Abidin hospital needs ICCU/ ICU unit
- Referral to hospital in Medan is overloaded; reconsidering to refer the patient to hospital in Padang (West Sumatra) and Jakarta

#### **WHO Indonesia**

- Director General of WHO arrived in Jakarta on 3 January 2005. He will Aceh on 5 January 2005.
- WHO Regional Director of South East Asia Region is arriving to Jakarta on 4 January and will be joining the Director General in the visit to Aceh.
